

Editorial

Welcome to the latest edition of the magazine.

A slightly slimmer edition of the magazine this month if an electronic magazine could be called slim!

Normally events start to get a bit thin on the ground getting into May and beyond but look at both the social and competition calendars there is still plenty to do. Exploring the internet you will find even more!

At the end of the week (May 4th) we have the Jedi 12 car run with a full entry such is the popularity of the event it was full within days of the regulations being published. A full report next month!

Your editors have just spent the last 10 days in France following Tour Auto, next month we'll include a report and naturally some pictures.

Welcome as well to a new member Barry Dreghorn.

Touring Assembly

We are planning a Touring Assembly later in the year. It will start near Blackbushe, visiting a classic car dealers showroom along the way before ending up near Churt for a late lunch! We will confirm the date as soon possible
